Communication Arts: Reader's Workshop

We will continue to focus on Questioning for the next several weeks as a reading comprehension skill. We will also be reviewing calendar skills.

Writer's Workshop

In writing we will work on sentence fluency to create sentences of different lengths.

Math:

We will continue our work with subtraction with regrouping (or borrowing). Please continue to practice this at home, as well as to continue working with addition and subtraction facts!

Science

We will continue to learn about SOUND in science.

Student of the Week

Alexis

Wildkitten of the Month character trait for February is:

Honesty/Fairness...Will it be you???

Whenever possible, please continue to practice 2nd grade math skills such as: time, money, place value, addition, fractions, subtraction, etc. These will be essential life-long skills used often.
