*\*All of these A+ Recognition Scholarships have been initiated by the colleges/universities, utilizing their own funding resources. The requirements vary from school to school and sometimes require a higher GPA than the 2.5 mandated by A+. ACT scores may also be a requirement. Students, who meet the requirements set by the A+ Schools Program, should contact their college/university of choice at the time an application for admission is sent. Verification of the A+ status will be required.*
