

8th Grade Boys' Interscholastic Basketball
Coach: Tom Jones

The 8th grade boy's basketball season will be for twelve weeks excluding holidays from the last Monday in October to the last week in January.

Tryouts will be held during the first week of the season. Boys will be required to have a physical form completed before they will be allowed to participate in tryouts. Cross country and football participants will not need another physical.

Selection to the Middle School Team will be based on ability, attitude, effort and teamwork. Twenty players will be selected and they will be divided into an A team and a B Team. The teams will practice every school day except game days during the season. Games will begin in late November. The teams will participate in 10 games and two tournaments during the season.
