

2008 - 2009 Computer Club

Mrs. Courter is offering a Computer Club for all 6th, 7th, and 8th graders. We will meet at 7:30 A.M. every Wednesday morning, beginning in October. We will not meet the month of February.

In Computer Club, we will review several different pieces of software such as SimCity 4, Jeopardy, Who Wants to be a Millionaire, Wheel of Fortune, Roller Coaster Tycoon, Mall of America Tycoon, Sim Safari, Sim Coaster, Mavis Beacon Typing, and other simulation software. Students can also practice keyboarding or use this time to do computer work for other classes.
