

## Curriculum Fair

- Date:** Tuesday, January 31, 2012
- Time:** Session 1 – 5:00 p.m.  
Session 2 – 6:30 p.m.  
(You may attend either session)
- Location:** FC Don Gray Gym

The counselors will be presenting the following materials:

- On-line enrollment process
- Course selection
- Planning for high school and beyond
- A+ Program

You will have a chance to visit with the high school instructors from all departments in the Commons, including a representative from the Career and Technology Center. Elective courses in such areas as Art, Business, Family and Consumer Science, Foreign Languages, Industrial Technology, Physical Education, ROTC, Speech/Debate/Drama, and Music will also be represented.

The following Career Focus programs will have a more hands-on presentation in their classrooms:

- Agricultural Science - Room E-8
- Principles of Biomedical Sciences - Room 209
- Introduction to Engineering Design - E-14

Students will be receiving enrollment materials from their middle school after January 17<sup>th</sup>. It is important that you bring those enrollment materials with you to the Curriculum Fair to help you with your course selections.

**SAVE THE DATE:** Sports Night will be May 9<sup>th</sup> from 6:30-8:00 p.m. More information will be available soon.
