

GIRLS VOLLEYBALL

Girl's volleyball will be offered in the fall at the beginning of school. Tryouts are held during the first week; physicals must be completed and returned prior to participation. All tryout practices will be held from 3:15-5:00pm. The roster usually holds 20-25 student athletes after final cuts have been made. Games begin in September and finish in October, with 4 tournaments throughout the season. We look forward to seeing you in the fall!
