Dear Parents:

We welcome the opportunity to work with young boys in the Greater Kansas City area who are interested in developing solid fundamental skills in the game of basketball. We guarantee that we will continue to emphasize teaching fundamentals, sportsmanship, and team play.

All campers will be divided so that they compete separately within their own age groups. For instance, all boys who have *completed* grades 2nd through 4th will compete with one another in drills and skill contests as well as 5-on-5 games during the week. The other division in the camp will be for boys grades 5-7.

Daily Camp Activities: *individual drills and instruction in offensive fundamentals *passing, dribbling, rebounding, shooting drills with 1-on-1 and 2-on-2 tournaments *individual skill competition *each camper plays 2 full court games each day *individual statistics and team awards

Sincerely,

Jimmy Cain, Camp Administrator
