- Look at the list of courses pre-printed on top portion of your enrollment sheet – you will need to enroll in one of each of these classes; however, *each subject area has some options. Your core teachers will discuss these with you on Monday*
- *Please note that any class with a line beside it indicates you need to obtain a teacher recommendation for the class.*

Keep this book and enrollment sheet with you for the next few weeks – you will need to refer to it often!
