

## **Introducing...Trailblazer Academy**

**The Metropolitan Community College recently presented information regarding a Dual Diploma Program for our sophomores. This program provides an opportunity for students to earn a high school diploma and an Associate's Degree by their expected graduation date in May 2012.**

**Parents, if you are interested in learning more about this program, please contact your son/daughter's counselor. There will be an informational session on Monday, November 16 @ 6:30PM, Blue River Community College, Campus Center 101.**
