

Tuesday Tutoring Permission Form

Parents please read the following information if you would like your student to participate in the Tuesday Tutoring program at Delta Woods.

Tuesday Tutoring will be held from 3:15 until 4:15 p.m. every Tuesday unless announced otherwise. Students do not have to attend every Tuesday, depending on the homework they need help with or the amount of work they need to do. Teachers and high school tutors from the A+ program will be available in the media center to help students.

Parents must be able to provide a ride home for their students who stay for Tuesday Tutoring. Students need to be picked up by 4:15 p.m. **Please pick up students at the library window side of the building.** This is the side facing 291 Hwy. This way we can have students wait in the media center.

This program is designed to offer homework help and study time to students at DWMS. It is neither a place to serve detention, nor a place to hang out with friends (unless they are doing homework). Students who do not work or choose not to follow directions will be asked not to come the following Tuesday. We are glad to provide this time for students to get the help they need with homework. If you have any questions please call 795-5830 or email kknudsen@bssd.net.

Please sign and return to Mrs. Knudsen in the Media Center. Thanks.
