TRIBE NOTES

Dear James Walker Families,

Thank you so much for your help during JWE MAP testing! Our attendance has been awesome over the last 3 weeks, and it is so important that the kids are here each day to take this test. They are well prepared and ready, but it makes such a difference to have them here on the day of the test. Thank you so much for your help!

At car rider dismissal, I have a genuine safety concern related to student pick up. We have more car riders this year than in year's past, and it is important that everyone wait in their car until you pull up to the curb to pick up your child. I am noticing parents/family walking in-between cars to pick up their child and this simply can not happen. It puts our kids and families at risk and our number one priority is to make sure that everyone is safe at school. Thank you for your understanding and please let me know if you have questions.

Sincerely,

Greg Johnson

Reminder:

Per BSSD policy, students are able to go outside when the temperature and wind chill are 20 degrees and above. Please remember to send your child with a warm winter coat each and every day. We do have a lost and found located in the front hallway at JWE. If your child happens to misplace their coat, please have them check the lost and found. Quite often, the coat has been placed in our lost and found bin.
