

Summer 2011

Dear Parents

As your students prepare for the 2011-2012 school year, they will learn about the many clubs and activities available to increase their involvement in high school. But what opportunities are available for **YOU** to be involved in your high school student's school and education?

When you come to the Freshman Center to pick up your student's schedule in August, or attend the Back to School Night on Tuesday September 6, 2011, look for information on these parent groups:

Main Booster Club and individual team, club, or activity booster groups. *Sports, activities, and clubs often have parent booster clubs. All parents are welcome to join and be involved. Check with your student's coach or contact Sharon Cole, Activity Director at the Freshman Center for more information.*

Parent Teacher Student Association (PTSA): *The PTSA at both Blue Springs High School and Blue Springs South High School work closely with administration to coordinate the Homecoming Bonfire, the National PTA Reflections (fine arts) contest, Senior Breakfast, and a host of other volunteer opportunities.*

Keep in mind these groups do not compete with each other and often work toward a similar goal for our children. They are a great benefit to students, administrators, teachers, and parents. The networking of parents results in increased involvement and friendships with other parents.

We look forward to meeting with you and working with you.
