

Delta Woods Middle School Scholar Bowl Team

Are you a student who loves trivia? Are you quick to solve problems and answer questions? Do you enjoy team competition to match wits against others? If so, welcome to the Delta Woods Middle School Scholar Bowl Team! This is the competitive game played with hand-held buzzers and lights where a question is read, and the first student to buzz in tries to answer it correctly to score points for their team. Scholar Bowl is open to all students. We begin our practices in early January with a before or after school practice schedule to fit your needs (no need to attend both—you choose). Our competitions are with area schools throughout later January and all of February—usually a total of 8 matches in all (four home/four visitor). Come out and have some fun! Mr. Burgess—Scholar Bowl Coach.
