Community Business
P.T.A. Membership

One of our goals for the 2010-2011 school year is to improve our ties with our community. This year we wish to acknowledge your business with our students, parents and faculty.

We invite you to join our P.T.A. at John Nowlin for \$20.00. Once a member, your business will be recognized in the school newsletter, which reaches over 400 students every month. We expect this to increase your customer traffic and provide a positive visibility in our community.

P.T.A. membership dues afford us to provide playground equipment, special school events and in some instances sponsor a child whose family is not able to afford the event.

Business Name: _____

Address: _____

Phone: _____
