

Dear Sunny Pointe Families:

One of our annual fundraisers, as many of you know, is participation in Box Top collections. We will, once again, have a grade level competition this year. The grade level that submits the most identified Box Tops for the year will win a special prize.

You can help by clipping the Box Top coupons from Ziploc Brand products, General Mills products, Pillsbury products, Yoplait yogurt products and other participating companies' products. Simply place all of the Box Top coupons you have collected in an envelope or baggie, and send them to the school with your child, to be turned in to their teacher.

You can also earn points for our school by registering at the website [boxtops4education.com](http://boxtops4education.com). There are also periodic opportunities throughout the year to enter special contests, giving our school the chance to win large numbers of box top dollars.

We will be tracking all coupons received by grade, so please write the child's grade and teacher name on the envelopes. We will post running totals by grade level periodically throughout the year, so you can see the status of all grade levels. At the end of the year, the grade that has submitted the most coupons will be rewarded with an age appropriate prize.

In addition to a prize for the students, we would like to introduce prizes for the winning grade level teachers this year. In addition to the money collected from Box Tops, we have resources available from the Labels for Education (formerly known as Campbell's Soup Labels) which can be used to purchase items from the Labels for Education market.

So, please help us to cash in on this wonderful fundraising opportunity by collecting and submitting Box Top coupons and Labels for Education to our school, and staying in touch on the website.

**Please submit the labels you have collected so far by October 24, 2011.**

**THANK YOU!**

Shari Stout  
Labels for Education Chairperson
