

# Boxtops Are Back!

Our first year collecting Boxtops for Education was a huge success! We collected over 7,000 Boxtops, providing our teachers with more than \$700 to use in their classrooms!

We are already off to a great start for year 2. Below are some of the simple ways that your participation can benefit DWMS.

- ✓ Purchase products that support Boxtops for Education, clip the coupons, and bring them to school. Collection boxes are located at the front office and in your child's Gator Time classroom.
- ✓ Go to <http://www.boxtops4education.com/>, create an account, and choose Delta Woods as the school that you support.
- ✓ Look for teacher registries in the "Classroom Essentials" section and purchase items for their classrooms. This not only donates materials to DWMS, but a percentage of the sale goes toward our school goal.
- ✓ Shopping the many businesses in the "Marketplace" also gives us a percentage of the sale.

Please contact Mitsi Salisbury, DWMS Boxtop Coordinator, with any questions.
