

Opportunities for Credit Recovery

Night School, Blue Springs School District, (Scheduled during Spring Semester, dates TBA). One core course (1/2 credit), previously failed, can be taken. *No cost to the student.*

Summer School, Blue Springs School District, Two sessions, morning and afternoon, are offered. 1/2 credit can be earned during each session. *No cost to the student.*

Nova Net is offered Monday and Wednesday evenings during the school year in the computer lab, located in the Blue Springs High School Media Center. Summer lab hours are available during July on Tuesday and Thursday evenings. Previous approval by the student's counselor is required. This is a work-at-your-own-pace program. Core courses must have previously been failed in order to be eligible. *No cost to the student.*

Plato is an online program primarily used for students who qualify for homebound instruction. Plato is accessed on the home computer and usage monitored by an assigned staff member. This program covers core classes with very limited opportunities for elective credits. The high school counselor will assist in determining if this is the appropriate program. *No cost to the student.*

Missouri Virtual Instructional Program (MoVIP) This program is administered through the Missouri Department of Elementary and Secondary Education and the State Board of Education. It is an online program that offers a wide variety of courses. A limited number of state funded seats are available on a first come, first served basis. Please consult with the high school counselor for more information. *No cost to the student as long as state funded seats are available.*

Additional programs for credit recovery: (fees required) This is informational only. We do not endorse, promote or encourage students to participate in any of the following programs. In addition, students may earn no more than a total of 3 credits from sources outside the district.

University of Missouri High School. This is an independent study program. Many courses are available online. Lessons are submitted, but tests must be in a supervised setting (school counseling office). Currently, courses are \$140 per 1/2 unit credit. Books and materials are usually an additional cost. There is a \$20 administrative fee per course. High school counselor must approve enrollment. Information is available at www.cdis.missouri.edu

Satellite High School. Independent study program. Located in Liberty, MO. Call 816-415-4822 for details, or visit their website at www.satellitehighschool.com

Please check with the high school counselor to assist in selecting an appropriate course.

MCC-Longview. Independent study. This is offered during Fall and Spring with set enrollment dates. Contact the Community Education Coordinator at 816-672-2207 for information about the next available session and current fees. School counselor must sign the enrollment form.

Sylvan Learning Center Sylvan offers high school courses for credit. They offer one-on-one instruction. The nearest Sylvan Branch is: 1201 NE Rice Rd, Deerbrook Plaza, Lee's Summit, MO 64086 (816)525-4500. Contact Sylvan for course offerings and fee schedule.
