

Dear Parent or Guardian,

Our school has purchased a subscription to a research-based standards mastery program called Study Island. During our subscription, your child can access Study Island free of charge anywhere that Internet access is available. Study Island has site-wide security features in place to provide greater peace of mind.

We are excited about the benefits this program can bring to our students, and we encourage you to take advantage of this opportunity. Please feel free to contact Study Island at 800-419-3191 or support@studyisland.com if you have any questions. Below you will find instructions on using Study Island.

Using Study Island from Home

Study Island is completely web-based, which allows students to access the program from any computer with an Internet connection and a standard web browser. Study session results are automatically recorded for teacher review, including results from sessions completed outside of school.

The program is divided into sections based on subject (math, reading, etc.). Each section is made up of 15 to 30 topics, with each topic containing about 20 to 30 questions. Topics are accompanied by a lesson, which contains a brief overview of the material covered in that topic.

Instructions to use the program:

1. Go to www.studyisland.com
2. Enter your username and password at the upper left side of the screen, and click "Submit."
